

## 20hp Survivors – lists compiled by Ben Grew in 1994, 2010 and 2021

Notably it shows that 45% of all 20hp chassis produced (not including experimental chassis) are known to exist in some form or another, and that 116 chassis have been “discovered” since 1994. More unknown chassis are still being unearthed.

Chassis series	No. produced	1994 Survivors	2010 Survivors	2021 Survivors	2021 % Survived	Plus/Minus 1994/2021
